# LEGION OF PARASITES

LEGION OF PARASITES a band i don't know to much about untill i heard their 12"  
which i thought was exellent i wrote to them for further info,so here we go.  
WERE YOU HAPPY WITH THE TWELVE INCH SINGLE ??

it is ok,but our newer stuff is much oetter.we should be recording something  
else very soon.

DO YOU GET MUCH MAIL ??

wev'e had more letters cos of our tracks on "BOLLOCK TO THE GONAD" than we have  
had from the 12".we get alot of mail from abroad,we usually get four or five a week.

WHAT ARE YOUR SONGS ABOUT ??

our songs are mostly about nucular war but there are some about the system,police,  
and other things that annoy us.

would you class yourself as anarchist ??

we don't call ourselves anarchist,out we believe in self rule,no gov't,freedom  
if we could get it.

WHAT MUSIC ARE YOU INTO ??

me and sean listen to alot of foreign stuff aswell as fast BRITISH bands WAG is  
really into ANTISECT and plays their lp and live tapes all the time.

HOW WOULD YOU CLASS YOUR MUSIC ??

i would class us as a thrash band what we feel at the time.

DO YOU THINK DRESS IS IMPORTANT ??

dress is important to some people and not others,i hate the pix on the 12" and  
so do the others but that was then and this is now.no point in moaning it's the  
past and it's already happened,it's better to prevent something you don't want  
than let it slip by and then moan.

THINK BEFORE...NOT AFTER.

WHAT DO YOU FEEL ABOUT METAL MUSIC ??

i like MOTORHEAD & VENOM as far as heaveee gose,alot of foreign stuff is great.  
we was offerd a place on a compilation aloum but we was asked to pay £150 so  
we didn't bother,we as some tracks on a american compilation album.

were hoping to do some gigs soon some of the bands we have supported are  
SUBHUMANS/ANTISECT/INSTIGATORS/BROKEN BONES/VARUKERS/BLACK MASS/SEARS.

I ADVISE YOU TO GET THE 12"  
COS IT IS FAST STUFF,WELL THATS

# UPROAR

I got a letter from GAV so i wrote back and got these answers.

ARE YOU PLEASED WITH YOUR RECORDS ??

no the production always seems to let us down, we know we are capable of doing much better records.

DO YOU PLAY MANY GIGS ??

unfortunatly we don't do many gigs as we'd like but we hope to rectify this if anyone can get us a gig write to me at GAV, 9 DURHAM ST, CO. DURHAM SR7 ODW.

DO YOU READ MANY ZINES ??

yes i read as many as i can buy, most of them are exellant (why thank you)

DO YOU GO ON PICKET DUTY ??

yeah, cos if the miners loose we all loose believe me its about time people got off their asses and fought for what they believe in.

WHAT BANDS ARE YOU INTO ??

IGGY POP/NEW YORK DOLLS/SUBS/PISTOLS/CONFLICT/

HAVE YOU PLAYED ABROAD ??

no but weve played in northern ireland twice and have a tour of germany lined up for feb.

HAVE YOU HEARD ANY FOREIGN STUFF ??

no i haven't but iv'e heard they have a good thriving scene.

DID YOU HAVE A GOOD CHRISTMAS ??

i it was a laugh (who needs an excuse to get pissed we don't ha.)

WHAT SUBJECTS DO YOUR SONGS COVER ??

war, politics, life in general in every song we have a message. we believe in making people think and making their own minds up rather than preaching and forcing views on them.

ANYTHING YOU WANNA ADD ??

ye victory to the miners and fuck the tories, and their system which seeks to deprive us all and fight back you bastards before its too late. thanx to dawn, gina, sharon, deb gary, graham, and everyone else who's stuck with us and come to our gigs and thanx to dave for giving us a piece in your zine (oh its nothing)... # WRETCHED

i first saw WRETCHED last april 84 when they did some gigs over here with DISORDER i was amazed how fast they played and how well they went down with the crowd getting just as good a reaction as DISORDER if not better. on record they are maniac out live ten times better faster, chaotic, distorted not what you could call music. they also sold quite a few of their records which were only 50p which is fuckin ace showing just how much record companies rip us off. they have 3 ep's out one is a split ep with the now defunkt INDIGEST. this year sees the release of their album which contains 18 tracks and on clear vynal this will sell for 2 dollars so work it out for yourself.

GIANMARIO/VOCALS. FABLETTO/BASS. DANIELE/GUITAR. CREMA/DRUMS.

their records are totally self produced with no buisness men or big distrioution the band needs help to sell their records abroad so if you can help in anyway write to, WRETCHED c/o GIANMARIO VIA LODOVICO II MORO 179 20142 MILANO, ITALY.

i know you can get their ep's from DLG 42 HAZAL WOOD RD NOTTMand he'll prooably be selling the album write anyway cos he sells lots of great hardcore.

at the moment the oand are trying to avoid milatry service which is compusary also there is no social services in ITALY but they dont care cos they want to live free from the state, the government only give you money to keep quiet. WRETCHED are a very passive band who stick strongly to their views.

VIRUS was a squat where bands and punks met to organise gigs and generally make friends in may 84 the police closed the place down other places have started up among the bands that played there was our own noise merchants DISORDER and many from all over the world. closing down the VIRUS the police

thought they could get rid of the punks out they were wrong its only made the stick togher even more.

WRETCHED are trying their best to help other bands to get vynal out they say punks must stick together, stop all violence and wars, dont let police push you around and stick to your beliefs. at the moment there is a good punk scene in italy with bands starting up every day. most of them are fast hardcore bands out there are also slower more tuneful stuff. thanx to GIANMARIO for this.

# INSTIGATORS

I got this info off a sheet someone (i've forgot who) sent me, thanks whoever you was. INSTIGATORS arn't my personal fav band but do have some good songs and a worth while message they have two tracks on a PAX compilation, OLD SOLDIERS & NOBODY WAK. these trax were recorded cos the band weren't satisfied with the final results.

they don't want to be categorise as just punk or an anarchist band as this wouldn't be totally honest.

they feel it is important for the individual to have his or her freedom, unnecessary categories only restrict the individual

## DIVIDE AND RULE.

their ultimate objective is to make people think, or at least provide them with an alternative opinion which in comparison with others, should lend itself to intelligent and productive discussion, perhaps allowing the individual to reassess his or her own values.

they have a single out on BLUR records, this covers three areas we feel are particularly relevant at the moment, the oppressive effect religion can have, apathy and animal abuse. we've had some interesting letters following the single, so we feel we are achieving something.

although the question of preaching to the "converted" is definatly valid, this is why the PAX compilations are such a good idea, many different types of music are featured. we hope to get new material onto vynal. well, thats it we used this cos i can't be bothered to write to any bands cos half cannot be fuckin bothered to reply i'm not saying INSTIGATORS are such a band

"BLOODLUST" are a thrash band but want to move on to musically  
a metal mould with numour and passion(that's what it says here)

SKUM DRIBBLERS/ACTUS REUS/DIRGE/CONCRETE SOX/  
STUPIDS/ONSLAUGHT/CHAOS UK/ NOTTM. 24 NOV 84  
first dissapointment of the night is ABC aint on,  
due to no time and secondly we missed the first two  
bands <sup>due</sup> to alcholic problems(ie looking for off licence)

when we arrive DIRGE are on a really good band they  
have added an extra vocalist and is very good i missed  
CONCRETE SOX but JOE said they were good a metal/punk  
band but the vocals were too low, by this time we have  
got our zine off SHANE and sell about sixty and give  
away quite alot. STUPIDS were on reminded me of the  
RAMONES but faster even did "do you wanna dance",  
they were great to watch we wrote to them, see elsewhere  
we hit the oar and have a chat with various mega stars  
(hello rich, mark, bene, lol, shane, dig, m.o, ha ha ).

ONSLAUGHT next to the slaughter the PA as fucked  
up but fuckin well they are brilliant, powerful you  
can't hear the vocals too clear time to dance about i  
think gawd it's hot in here , they play punk/metal  
at it's best i /we think ONSLAUGHT are one of the best  
bands to emerge in '84" CHAOS UK are up the sound aint too good but its party time  
and me, joe and oggy dive into the crowd , they get the oiggest reaction tonight JABBA  
is now handling the guitar work he is great to watch his head is going all over the  
place, whats this joe is on stage singing 2 kill your oao" ha. end of another great gig  
organised by DIG well done. DAVE/JOE/OGGY/

WE'VE USED THESE GIG REVIEWS TO FILL SPACE COS ALOT OF BANDS AINT BOTHERED 2 REPLY  
ALSO IT SEEMS TO BE ALL THE SAME FACES AT THE GIGS ALOT OF PEOPLE MEAN COS THERE AINT  
NO BANDS PLAYING ROUND THEIR WAY, WELL GET OFF YOUR ARSE AND TRAVEL AROUND AND MEET  
OTHER PUNKS IT'S ALAUGH SOME ONE WILL BE MORE THAN WILLING 2 PUT U UP FOR THE NIGHT.

# METALLICA

TORME & PANK  
LONDON/20/12/84

oh, the wonder of modern transport, this is the age of  
the train(thanx to persil we got here half price)  
only JOE saw PANK cos we was still outside drinking.  
got in to see TORME god i wish i hadn't they were shit  
the guitarist was great using lots of feedback out  
got a bit boring didn't ouy a drink (what ?????)  
too expensive so were the t\_shirts so i gave them a  
miss. METALLICA came onto a classical guitar sound  
then exploded into "fight fire with fire" which  
was real fast no stage show here just out right speed  
we wre up on the balcony having a nice quiet joint  
(quiet??) then decided to hit  
the front it was real LOUD  
yahoo they played lots of  
stuff from KILL album which is the  
better of the two the highlight for me  
was WHIPLASH soooo faaaaaast aaaaaaaarrghhh.  
they had a big crowd here who were behind them  
all the way. we got back in manchester at 3am and  
spent the night in an old factory god it was cold.  
we wre going to sell our zine but joe left them at  
station ha, ha. oh yeah stu also got shot in the arm  
with a air rifle at 3am couldn't believe it just  
mentioned that to fill the rest of this page so wild

# DEFORMED

pete...vocals  
dave...guitar  
joe...bass  
gaz...drums

oh fuckin hell, not this lot of morrbid fuckers, well tough shite, this was a taped interveiw from a reharsal session (questions BOB thanx)  
DO YOU FEEL YOU REHARSE ENOUGH ? JOE no not really we only practice once a week we want to practice two to three times but we can only use the hall on saturdays.  
WHO AS INFULENCED YOUR MUSIC ? DAVE not any one particular band, we get our ideas from various sources, were all intodifferant bands but this is the music we want to play.  
WHATS THE BEST THING ABOUT PLAYING IN THE DEFORMED ? DAVE getting asked stupid questions like these all the time. GAZ i just like playing the drums PETE being an exhibitionist helps JOE i can't get a job. ONLY GAZ WORKS WHY ? DAVE i suppose he's a glutton for punishment i dont wont a job. GAZ i like the money. DO YOU GET MOBBED BY PEOPLE WHEN GOING TO THE SHOPS ? JOE we wear masks but thats cos were all ugly. DAVE were all closets we never go out. I HEARD YOU WAS ASKED TO DO THE "BAND AID SINGLE"? PETE oh yeah i was real dissapointed in not being asked i wanted to do the lead vocals. DAVE lets face it none of the bands did it for their own use you know "street cred" maaan. JOE i think i'll spark up. EVERYONE yahoo. WOULD YOU APPEAR ON TELEVISION ? JOE i hate telly never watch it i would rather play my records and we'd never go on T.O.T.P. DAVE four channels of shit. PETE we'd go on THE TUBE cos its live and it would get us across to a wider audience, we do get letters from people who are into hardcore bands who like us and we ant a fast hardcore band. DAVE i get asked quite alot why i like fast bands and play in DEFORMED weller JOE we can't play fast ha ha. DAVE i'm not bothered who we play to if ten people turn up long as its a laugh i dont mind IT'S RUMOURED YOU PLAY IN NO BRAIN CELLS. JOE a nasty rumour started by a fanzine which shall remain nameless DAVE they

are a bunch of perverts we have nothing to do with them honest. DO YOU GET MUCH VIOLENCE AT GIGS ? GAZ i can't see much from behind the drum kit. DAVE no and we hope we don't neither it spoils the atsonspher. JOE i am a pasifist and wouldn't start trouble anywhere  
WHICH AS BEEN YOUR BEST GIG TO DATE ? PETE i think when we supported THE FITS in OLDHAM we took about 30 people with us in this large transit van we got a real ace sound and probally our best reaction. DAVE we did about 25 gigs last year (84) mostly local but we have afew gigs lined up in north east and down northampton. we usually support cos we don't have our own van and it cost alot to hire. JOE i hate the term support especailly when we play with other local bands and we dont get any money and were all in the same boat no top names or anything. WHAT BANDS DO YOU LIKE ? DAVE DISCHARGE/SLAYER/ONSLAUGHT PETE JOY DIVISION/VIRGIN PRUNES/BAUHAUS JOE SUBHUMANS/MOTORHEAD CHAOS UK/DISORDER. GAZ ALIEN SEX FIEND/RUDIMENTARY PENI/CRASS. ARE YOU PLEASED WITH YOUR SOUND ? DAVE yeah weve just got a new slave amp for the PA but do need speakers, we are differant live than on our demo's more rough sounding PETE yeah usually pissed HOW DO YOU AFFORD YOUR GEAR ? PETE usually h.p terms and most of its second hand but good stuff. JOE off the back of lorries ha ha. DOSE ALL THIS SMOKING NASTY CIGARRETS HELPS YOU SOUND ? GAZ no but it makes us feel better. JOE that reminds me i'll roll another joint maaan, lets talk about DAVE'S beer belly ha ha, DAVE oh very droll lets talk about JOE'S big chin. HOW ABOUT PETE'S pointed shoes ? GAZ WHAT'S THE POINT ha ha.  
JOE did GAZ say that ? BOB who ? GAZ NO it was JOE'S chin and DAVE'S beer belly, ha ha.

HOW ARE YOU GETTING ON WITH THE RECORD ??

DAVE wev'e been in the studio for two days originally it was to be just one day so we could release some tracks on a DANISH label BOSTON TEA PARTY (HELLO ANDERS) which is a totally independent label run my punks no big rip offs here, on the record was to be asplit ep with TERVEET KADET (see interview) but they arent on it now at this time we are not sure why. JOE we are also releasing an ep on our own label which is called BLIND FAITH we borrowed the money from STUART our mate they both should be out in april or may. PETE the DANISH ep is called SACRIFICE and are available from us each will be £1 plus 30p for postage.

WHAT'S THIS FLEXI RECORD ABOUT ?? DAVE its to be realsed by BAZZY of blown to bits zine when we are not sure four other bands are on it including NBC. IS IT TRUE YOU ARE CONNECTED WITH NO BRAIN CELLS ?? JOE you have already asked that one who tells you all these lies? the only thing we have in common with them is they live with us next question maaan. WHY DO YOU DO A ZINE ?? DAVE cos its wild and we can't get in other peoples zines ha ha. no its good fun and zines are much cheaper than the normal music papers and much more interesting. HOW DO YOU FEEL ABOUT WORK ?? aaaaaaaarrgh you bastard that was a nasty thing to say only GAZ works we dont want to work. WOULD YOU LIKE TO PLAY ABROAD ?? PETE very much so we might be able to play in DENMARK once the record is out but it will be as support to some big band cos we aint that well known and we dont play your usual punk music though we still class ourselves a punk band i think its important to have a wide range of bands on at gigs so they can get across to a wider audience. LINE UP.  
MICHEAL/BASS..  
ROB/GUITAR..  
SANNI/DRUMS..  
MICHEAL/VOCALS..

WHY DID YOU FORM ??

we started to play two years ago and released a split tape with another dutch band JETSET called "protest 82". we have some songs on a compilation album with three other bands, all these songs are hardcore thrash with very cliché lyrics about political subjects they are very boring (these are their words). in july we get another vocalist and a new sound more of a metalcore something like the old "husker DU" meets "iron maiden" ha ha. we have released two new practice tapes and will soon record tracks for an ep.

DO YOU GIG ALOT ??

yes in the last two years we have had many gigs, but only in

HOLLAND we're planning to do a euro tour this summer cos we really want to play in other countries, here in HOLLAND everything is getting boring.

ARE YOU ALCOHOLICS ??

sometimes if there is a party or a big gig going on then we drink alot we also make our own alcohol cos it is cheaper to do this.

WHAT IS THE DUTCH SCENE LIKE ??

BORING not much is happening no gigs etc but it will change as it always does.

WHAT BANDS DO YOU LIKE ??

ROB..HUSKER DU/OFFENDERS/METAL ETC.

MICHEAL..REGGAE/SOME METAL AND HARDCORE

SANNI..ASTAINS/DISCO (YEAH REALLY)

MICHEAL..TEN MINUTE WARNING/SUICIDALS/ASTAINS/SPEEDMETAL AND METALCORE.

WHY DO YOU SKATEBOARD ??

WE DONT SKATE ANYMORE. but we play ice hockey its a real cool game.

WOULD YOU CALL YOURSELVES ANARCHIST ??

uh? what i dont know, were commie fascst ha ha ha, all systems suck.

ANYTHING YOU WANNA ADD ??

wow like i'm really, you know fuckin blown away. poor me, poor me, pour me a drink.

thanx to "the tide water arse" and stay away from public swimming pools with chlorid in its water. CONTACT MICHEAL.

soon as i heard their twelve inch i thought brilliant, SEPTIC DEATH have been going since 81, onj/guitar. paul/drums. pushead/vocals. mike/bass pushead writes for the zine max rock n roll from america which sells world wide, he is also know for his exellant drawings. all the band are straight edge saying you must face up to things cos they wont just go away. and not hide in a bottle which can damage you. they feel punk will never die

only to the people who believe it to be just a fashion, punks will change things they want to change not what needs changing. they get mail from over thirty countries and will write to anyone but please include an irc cos its costing a fortune. pushead as also put togrther a compilation lp which features bands from all over the world "remove the bacteria" first copies also comes a twelve inch single. you can contact them at following PUSHEAD. 2713 KERR, BOISE, IDAHO, USA 83705. this info was taken from FEEDBACK thanx SHANE. a person is blood, blood is a person, quickly it pours use your head before ignorance stops you. stay togher fight for what needs to be changed, so there is happiness and freedom need so much attention, acceptance of whom

We saw THE STUPIDS in NOTTM a while ago and was very impressed. they reminded me of a faster version of THE RAMONES i wrote to WOLFIE who answered these very original questions. sooo wild maaan WHY DID YOU FORM ??

we wanted something to do, have fun. we didn't think anyone would like us but we didn't really care at first we tried to do other peoples songs but we couldn't work them out so we wrote the songs we wanted to hear, it's been a year now and we are enjoying ourselves.

HOW OLD ARE YOU ?? COS YOU SEEM 15-16.

we are all sixteen, me and marty are in the sixth form because we don't wanna do anything tommy as stopped on to do his fifth year again it's good cos we have somewhere to go in the daytime we can renase when we want the money thing is difficult but we do ok.

WHAT AS INFUELENCED YOU ??

i'm personally infuelenced by RAMONES their albums just olew me away. their new album is amazingi also like SCREAM, MINOR THREAT, CRUCIFIX, MDC ETC, (mmm no death metal here boys)

WHAT ARE YOUR SONGS ABOUT ??

tommy says nis lyrics are depressing but mostly we have songs about funny things like "elephant man". wer'e not into songs about anarchy and things. we have problems out don't want to write songs about them.

DO SMOKE POT ETC ??

WHY DO YOU STAY AS A THREE PIECE ??

mainly cos we cannot find a suitable singer, it's working out ok at the moment though it's so fast it's difficult to sing and play but it's a laugh.

ANYTHING TO ADD ??

thanx to everyone who's been cool and had a laugh this year, scruff, rossi, claire, harry, jules, graham, everyone who writes STUPIDS tape is £1 with 12 cool tunes (BUY IT DAVE)

WHY DID YOU FORM ??

we had all been in bands before and as we were between bands and we all knew each other so we thought why not.

WHAT DO YOU SING ABOUT ??

our music is changing considerably and so are our lyrics at one point it was all the usual punk anthems ,war,system,although we feel strongly about such matters weve decided that theres enough people doing that.

DO YOU BELIEVE IN GOD ??

well everyones got their own gods in one form or another but as far as god in heaven no,we dont believe in that stuff.

WHY DID YOU CONTACT PAX RECORDS ??

we didnt really,after recording the demo we lent it to the drummer of anti system who played it while marcus featherly was with him ,he liked it and got in touch with us.

WERE YOU PLEASED WITH THE RESULTS ??

fairly i wish we could have spent more time on the tracks they could be stronger out theres always next time .

LINE UP ??

the line up has changed since the record muggy left and we had to get rid of kev and noggsy for their lack of commitment we are alot stronger now as a band

VARIK/GUITAR PHIL/GUITAR KENZIE/BASS PHIL/DRUMS at the moment we are looking for anew vocalist so it could be a while before we do anything.

HOW DID YOU GET TO JOIN THE NOISEY ONES ??

it was on the CRUCIFIX tour i'd knew CHAOS for about a year but didn't get to  
see him much coz he had a shag piece and lived with her with no clothes on, but she  
packed him in ha ha, so he ripped off the rent checks and came on the CRUCIFIX tour  
and he got me drunk and kidnapped me off to BRISTOL put a knife to one of me four  
cocks and said join us or be called GABBA 5 COCKS i went aaahh and here i am (-?)  
DO YOU GET ON WITH THE OTHER MEMBERS ??

ARE YOU PLEASED WITH THE ALBUM ??

no i hate it we was rushed in to the studio with only one song and had to think up the  
rest in an hour plus we got a crap mix (its noisy that's what counts)

WHY DID YOU USE FARMYARD SONG ??

we was gonna use it on a flexi single to give away with the album but it was too  
long so we had to shove it on the album (ooo aaah)

WHY RELEASE "THE SEATS OF PISS" ??

we didn't it was SLYMAN EDWARDS cos he as no money now us and DISORDER have left the  
label as you will have noticed, there was nothing we could do we had a contract with  
him to have the rights to the songs, who's next VARUKERS, CHAOTIC DISCHORD ? and he only  
paid me £10 to draw the cover.

DO YOU STILL SEE "THE SEATS OF PISS" ??

 GRIMEY, vivesection is totally unnecessary and should be stopped, we've had enough of this system it obviously doesn't work although i think a revolution would be silly.

 PAUL, ICONS OF FILTH, CONFLICT, AND MANY MORE.

HAVE YOU TOOK ANY INFLUENCES FROM THESE BANDS ??

GRIMEY, obviously if your listening to anarchy bands all the time your going to get ideas off them but we all have different opinions. we don't just copy them.

GRIMEY, yes i want more dole money and a homebrew kit (don't we all) PAUL learn how to play the guitar and create a better world.
